

## Rural Address Sign Program

To order an address sign  
Please fill out the order form  
inside this brochure and make  
checks payable to  
Columbia River Fire & Rescue

Columbia River Fire &  
Rescue

270 Columbia Blvd

St Helens OR 97051

503-397-2990

You can find us online:

[www.crfr.com](http://www.crfr.com)

### *Shared Driveways*

*If you live on a  
shared driveway  
with one or more  
branches, you will  
need an additional  
sign at each branch  
of the road so we can  
find your home.*

For more information on  
requirements for rural  
driveways, please pick up a  
copy of the Columbia  
County Fire Service  
Driveway Standards at our  
Administrative Office.

# Rural Address Sign Program

## What is the purpose of a rural address sign?

Every second counts when Firefighters, Police and Medical Personnel are responding to an emergency 9-1-1 call. Columbia River Fire & Rescue wants to make sure we locate our citizens as quickly as possible in their time of need. Every second counts and proper identification of your residence may be the difference in saving or losing lives and property.

The Rural Address Sign Program are signs that are designed to be highly visible from the road, day or night.

These signs are also beneficial to parcel delivery companies and utility service companies, such as cable or water providers.

## Size

The two-sided sign is a standard 6x12" marker with a reflective green background and 3" white numbers.

## Free Installation

Fire District crews will gladly install these signs at the beginning of your driveway, provided you reside within the Fire District's service area.
