What is FireMed?

FireMed is an emergency ambulance membership program that helps to cover the costs* of medically necessary transports via ambulance within the reciprocal service areas. See the coverage map for details.

What Does it Cost?

\$60 a year gives your entire family* ground ambulance coverage for the membership year (November 1st – October 31st).

What Does it Cover?

For one small fee, your annual FireMed subscription gives you continuous coverage during the current membership year. Emergency transports to all local area hospitals* are covered for your entire family*. And coverage extends throughout most of Oregon.

*Please see Terms of Agreement for further details.
