A MESSAGE FROM THE CHIEF

Fiscal Year 2026-27

To Our Board of Directors, Budget Committee Members, Staff, and Residents of our Fire District,

Today, we are pleased to present the Fiscal Year 2026/27 balanced budget for Columbia River Fire and Rescue. Our district proudly serves the cities of Rainier, Prescott, Columbia City, St. Helens, and the unincorporated areas of central Columbia County.

This budget is a living document, shaped by diligence, perseverance, and our unwavering commitment to delivering the highest quality fire service to our communities. We remain dedicated to upholding the fiscal accountability and responsibility that our public deserves.

This budget is designed to meet the real-world challenges our members encounter every day. Columbia River Fire and Rescue staffs two 12-hour ambulances (Division 9), ensuring 20 hours of daily coverage by highly trained EMTs and paramedics that augment our fire staffed stations.

The addition of Division 9 medical units enables our fire personnel to dedicate time to advanced training in structural firefighting, wildland/urban interface response, vehicle extrication, and hazardous materials incidents. We deeply appreciate the outstanding care and service provided by our Division 9 EMS staff to emergency services, the public, and the entire district.

Public service is continually asked to take on expanding roles and responsibilities in our communities, often without increased financial support. The staff at Columbia River Fire and Rescue is committed to maximizing every dollar, consistently seeking innovative ways to reduce expenses and enhance cost-saving measures.

I want to commend our Fleet, Logistics, EMS, PPE, Uniforms, and Administrative staff for identifying multiple cost-saving opportunities that have saved the district not just a few dollars, but thousands. Their efforts have significantly streamlined our fire district's operations.

Our members' dedication and professionalism drive them to pursue innovative solutions, create new opportunities, and address challenges head-on. As a result, the district can reduce costs while expanding services.

Over the past thirty-six months, the District has achieved extraordinary progress, emerging from a precarious position into a remarkable revival once considered out of reach. This transformation required unwavering dedication and sacrifice at every level of our organization. We are proud to say that we have not only survived but flourished. Recognizing our past financial challenges, we are confident in our ability to sustain this positive momentum and reach even greater heights as a District. It truly is a Team effort.

We move forward with both confidence and prudence, dedicating ourselves each year to building resilience while ensuring effective staffing within our financial means. This year, we will sustain the critical staffing increases we have worked hard to achieve and remain focused on a future where our well-equipped team meets the needs of our citizens every day.

Our budget reflects our steadfast commitment to sacrifice, dedication, and transparency for our members and the community we proudly serve. By fostering teamwork, respect, and understanding, we pave the way for a brighter future—one where our citizens can trust that they are served by the nation’s finest EMS and Fire personnel. Together, we will achieve excellence and ensure the safety and well-being of everyone in our care.

Respectfully Submitted,
