

## What is FireMed?

FireMed is an emergency ambulance membership program that helps to cover the costs\* of medically necessary transports via ambulance within the reciprocal service areas. See the coverage map for details.

## What Does it Cost?

\$65 a year gives your entire family\* ground ambulance coverage for the membership year (November 1<sup>st</sup> – October 31<sup>st</sup>).

## What Does it Cover?

For one small fee, your annual FireMed subscription gives you continuous coverage during the current membership year. Emergency transports to all local area hospitals\* are covered for your entire family\*. And coverage extends throughout most of Oregon.

*\*Please see Terms of Agreement for further details.*

## FireMed Protects Your Family & Finances!

Your medical insurance may not cover all your expenses, and without FireMed you may find yourself paying large portions of your emergency ambulance bill. With a FireMed membership, all of your deductibles, co-pays, and any other out of pocket expenses are covered... even if you don't have insurance!
