DISTRICT EXECUTIVE STAFF

As of May 2025

Eric Smythe, Fire Chief

CRFR ORGANIZATION

as of May 2025

A MESSAGE FROM THE CHIEF

May 1, 2025

To Our Board of Directors, Budget Committee Members, Staff, and Residents of our Fire District,

We are excited to present the Fiscal Year 2025-26 budget for Columbia River Fire and Rescue, a vital rural fire district serving Columbia County, Oregon (referred to as the District).

This budget represents a collaborative effort involving members of IAFF Local 3215, our Administrative Staff, and myself, all working together to strengthen our service delivery and enhance operational capabilities.

In Fiscal Year 2023/24, the District faced the critical challenge of borrowing funds just to meet our operating expenses, including payroll. However, by Fiscal Year 2024/25, we turned a pivotal corner, eliminating our need for loans to sustain our operations. This was not mere luck; it was the result of strategically maximizing our revenue while systematically reducing expenses throughout the organization. Our commitment to filling vacant fire positions and increasing our responding personnel is driven by our goal to enhance life safety and protect property. As of November 2024, we are proud to report that we have funds available in our account, marking a significant transformation for the District. We have successfully implemented cost-saving measures and pinpointed the issues that contributed to the financial challenges created by previous administrations. Now, we are embarking on an exciting new chapter. This positive momentum is poised to carry us into the Fiscal Year 2025/26 and beyond. Together, we are not just building a stronger District; we are forging a sustainable future for our community.

For the Fiscal Year 2024-25, we have made a strategic decision to replace two vacant Division Chief Officer positions with two Battalion Chief Officer roles. This reorganization not only results in significant cost savings but also allows us to enhance our workforce by adding three Firefighter/Paramedics in the upcoming months. With this increase, we aim to boost our total staffing to 30 Firefighter/EMS-trained personnel, thereby strengthening our community response capacity while still operating two dedicated 12-hour peak response units. This crucial investment in our team showcases our commitment to ensuring that we effectively meet the needs of our community both today and in the future.

This budget represents our unwavering commitment to collaboration and excellence for the citizens of Columbia County. Together with our labor group, we have worked diligently to establish clear goals and strategies that align with the needs of our community. Our residents deserve top-tier service, and we are steadfast in our mission to provide the best fire protection in all of Oregon.

Investing in our personnel—both career and volunteer members—is essential, as they are the backbone of our mission to safeguard our community. We are dedicated to delivering exceptional Fire and EMS services around the clock, ensuring that our communities are always protected and safe.

The District has made remarkable strides in the past eighteen months, rising from a precarious state to an unprecedented revival that many deemed unattainable. This transformation demanded dedication and

sacrifice across all levels of our organization. We proudly declare that we have not just survived but truly flourished. While we are aware of our past financial challenges, we remain confident in our ability to continue this positive momentum and achieve even greater success as a District.

We will move forward with confidence and caution, dedicating ourselves each year to strengthening our resiliency while ensuring effective staffing within our fiscal constraints. This year, we will maintain the crucial staffing increases we fought for and remain focused on the future where our well-equipped team meets the needs of our citizens every single day.

Our budget embodies our unwavering commitment to sacrifice, dedication, and transparency for our members and the community we proudly serve. By fostering teamwork, respect, and understanding, we will illuminate the path toward a brighter future—one where our citizens can trust that they have the finest EMS and Fire personnel serving them in the nation. Together, we can achieve excellence and ensure the safety and well-being of every individual in our care.

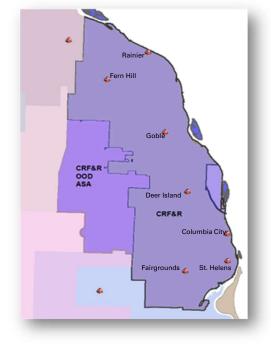

Eric Smythe Fire Chief Columbia River Fire & Rescue

Columbia River Fire & Rescue covers over 185 square miles of Columbia County, located in the Northwest part of the state of Oregon along the Columbia River.
